- CEQ Blogs for the 2012 GreenGov Symposium

Chair Sutley, Secretary Vilsack, Secretary Mabus, and Administrator Jackson to Headline Symposium

The 2012 GreenGov Symposium – Leading by Example is September 24-26, 2012! The [agenda](#) features more than 290 speakers for 70 sessions. Symposium keynote speakers and breakout sessions will be held September 24th and 25th, with meetings and workshops on

September 26th at the Marriott Wardman Park Hotel in Washington, DC. We are excited to announce that CEQ Chair Nancy Sutley, Secretary of the Navy Ray Mabus, Environmental Protection Agency Administrator Lisa P. Jackson, and Secretary of Agriculture Tom Vilsack will be speaking at the Symposium. They will deliver remarks at the following times:

Monday, September 24:

- 8:45am – 10:30am – Chair Sutley will open the Symposium, followed by keynote remarks by Secretary Mabus.

Tuesday, September 25:

- 8:45am – 10:30am - Chair Sutley will deliver opening remarks, followed by keynote remarks by Administrator Jackson and Secretary Vilsack.

To read more about our keynote speakers, please visit <http://www.greengov2012.org/program-plenary.html>.

Symposium co-hosts, CEQ and the Association of Climate Change Officers, continue to add updated information to the agenda. For the most up-to-date Symposium information, visit greengov2012.org.

Watch the Symposium Live Online

This year at the GreenGov Symposium, eight of the sessions will be available to view live via web stream (insert BNA link) on September 24 and 25. The web stream sessions include the plenary sessions with the featured keynote speakers for each day, beginning at 8:45am. Other web stream sessions include:

- The Future of P3 and Third Party Financing;
- A Fresh Look at Demand Response;
- Transforming Sustainability Strategies into Tactical Management Actions;

- Destination: Sustainable Communities; and,
- Internal Engagement Strategies: A Top Down Approach

The live web stream of the 2012 GreenGov Symposium will be available starting at 8:45am on Monday, September 24 at: <http://www.bna.com/greengov2012>.
