

2022

Federal Environmental Symposium

Mission, Environment, and Our Communities

Federal Staff and Sponsored Contractors Invited

A 4-Day *Virtual* Event Hosted by the Nat'l Institutes of Health

March 28th – 31st, 2022

11 a.m. – 5 p.m.

Organized by and for the federal environmental practitioner community.

Mark your calendar, and stay tuned for more information on registration and how to become a presenter at: <https://www.fedcenter.gov/fes2022>

Looking for information on new or existing environmental regulations? What's the latest on recent executive orders? How does Climate Change and Environmental Justice fit into your sustainability plans? Have questions about EPA's current regulatory focus? Want to meet peers with similar challenges and success stories? Short on funding for training?

Come join us for a *free* meeting of federal staff to discuss regulations, successes, and challenges through 4 days of webinar workshops, trainings, and exhibitions.
