## NETI eLearning Center Now Available

NETI's new Learning Management System (LMS) called the NETI eLearning Center is now available. Training courses offered on the NETI eLearning Center, which is replacing NETI Online, are located on the Adobe Connect server, will meet current eLearning standards, and will provide a more effective learning experience.

Stakeholders will be able to reach courses on the new LMS through the NETI eLearning Center [Course Listings link](#) located on [NETI's revised webpage](#).

### Last Call for NETI Online Transcripts

For instructions on how to obtain your NETI Online transcripts before the site closes out on January 17, 2013, click [here](#).

### NETI's first eLearning Course on the New System

To view the first eLearning course developed for the NETI eLearning Center, please click [here](#).

The purpose of this course is to describe the transition from NETI Online to the NETI eLearning Center, and is based on [frequently asked questions](#) that were developed in August of 2012. This course showcases the features of the new Adobe Captivate software and provides examples of how to motivate students to want to learn.
